- Flagger Workzone Safety (4 hours)

Virtual classes feature real-time, instructor-led in-person, and virtual classes. Experienced instructors provide an interactive experience for the attendee on a broad spectrum of safety and risk control topics. Most NJCE LIVE virtual offerings have been awarded continuing education credits for municipal designations and certifications.

The live virtual monthly training schedules and registration links are available on the NJCE.org website under the "Safety" tab: <u>NJCE Live Monthly Training Schedules</u>. Please register early, under-attended classes will be canceled. (*April thru June 2024 Live Training Schedules and Registration Links are attached*).

To maintain the integrity of the NJCE classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Most important among those rules is the attendee of the class must attend the whole session. Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion. *NJCE LEADERSHIP ACADEMY* 

J.A. Montgomery Consulting and the NJCE JIF have created the NJCE Leadership Academy for Managers, Administrators, Department Heads, and Supervisors interested in sharpening and expanding communication, conflict resolution, stress management, and team-building skills. The goal is to enhance leadership skills by offering participants varied and in-depth training.
